Dear Ms. Wright,

This Agency is investigating the environmental hazards at a facility located in Norwood, Ohio which appears to have been a warehouse owned or leased to Rose Exterminator Co.. Our investigation uncovered a 1940 telephone directory advertisement, a copy attached, which identifies Mr. Robert C. Yeager as a manager of a business having the same name. The investigation also disclosed that Mr. Yeager and his wife, Rose Ann, at one time used your company's address for reference purposes.

In hopes of learning more about Rose Exterminator Co. and/or its successors, this Agency would appreciate your help at communicating with Mr. or Mrs. Yeager's family members, acquaintances or business associates and asking them that they call me in Chicago at 312-353-2007.

Should you desire any additional information from me, please do not hesitate calling me.

Thank you for your assistance in this matter.

Respectfully yours,
